Many people including myself find it very challenging to get into the flow of a class or even in their own home. To help myself create a yoga practice that I could do in my own home, I came up with a plan where I would do not only a full yoga practice, but incorporate stretching, breathing and meditation to create a balanced practice that I could do at home. I thought it would be helpful to share with you the items that I use to achieve a holistic yoga practice from my own experience. I am not saying that these are right for you and these are the only items that work for me. Each of these items has a specific purpose but they must be used in the correct way to get the best results. Yoga Mat: Try getting a flat yoga mat. I noticed the first time I tried yoga on a soft carpet that I was sliding all over the mat. Since then, I have been a firm believer in
