S. Sankaran-Principles of Economics (Himalayan edition). ML Jingan-Macroeconomic Theory. M. L. Seth-Macroeconomics (Laxminarayan Agarwal). Currently, economic theory throughout the world is going through a period of deep crisis, which prompted me and my colleagues, mostly Indians, to engage in the development of macroeconomic theory. In this work, we proceeded from the fact that there are four macroeconomic types in the world. These are capitalism, socialism, communism and the economy of India. And although in India, unlike other countries, there is neither socialism, nor communism, nor capitalism, but nevertheless it has the economy of India.
