
The Sims 2 game

Aug 15, 2015 University has a "folder" it is trying to delete and no disk is installed. . Jun 26, 2016 it says when i go to play u.u'ic-misor run or instal the game the sims 2 disk 4 is already there? and u.uic-misor does not work very well!!! I have searched all over and can not find the sims 2 disk 4 A: You have two options: Install through DVD Use another game And no: Using a second drive and copying the files manually is not supported. You should use the regular installation, and only after that you can add the DLC. Noori wrote:So we're going to bring our experience and try to help, but if no one has time to devote to just one game, then we'll have to consider what game you'd like to see more of. ok, sorry, the way i misunderstood the rules was this: Riiight, so I guess the question becomes would you guys be interested in playing a game where you are forced into a more traditional RPG experience? I think that'd be a great fit for all the smaller forum cats, like me, who have zero idea how a game is played. Noori wrote:So we're going to bring our experience and try to help, but if no one has time to devote to just one game, then we'll have to consider what game you'd like to see more of. ok, sorry, the way i misunderstood the rules was this: Riiight, so I guess the question becomes would you guys be interested in playing a game where you are forced into a more traditional RPG experience? I think that'd be a great fit for all the smaller forum cats, like me, who have zero idea how a game is played. Like what? And we'll just do it for every post you make as a responder on this thread.
